

Industrial Millwright – Full Time

Tempel is America's largest manufacturer of magnetic laminations for the motor and transformer industry, dating back to 1945. With manufacturing facilities in USA, Canada, Mexico, China, and India we continue to be a fast-growing industrial manufacturer providing a full range of highly efficient transformer components at our facility in Burlington Ontario, where we have been since 1975.

Our primary products out of this location are Wound Distributed Gap Cores, Mitre and Butt Lap Laminations, Logs and Fully Assembled Cores in our Flat Stack Department, Steel Sales, Custom Slitting and a warehousing for Tempel Steel's laminations.
